## **Challenge The Outdoors, Inc.**

JULY, 09

*“Dedicated to Serving the Recreational Needs and Desires  
of the Physically Challenged Sportsman”*

**JULY, 2009****Challenge The Outdoors, Inc.****A NOT-FOR-PROFIT ORGANIZATION DEDICATED TO SERVING THE RECREATIONAL NEEDS AND DESIRES OF THE PHYSICALLY CHALLENGED SPORTSPERSON****PRESIDENT'S MESSAGE**

July marks the end of CTO's fiscal year. And what a great year it has been for the organization! It is said that good things are accomplished by the efforts of good people. Here are some of the good things made possible by the members and Board of Directors.

- New activities such as attending a Gamblers hockey game, musky fishing and attending a Blizzard football game.
- An Endowment Fund was established to support future growth of the organization.
- A Scholarship Fund was established to help students with challenges obtain education beyond high school. Two students were awarded \$500.00 this year.
- A very successful Sporting Clays Event.
- A \$500 grant was presented to the Village of Cecil to make accessible improvements to the park where the annual CTO Fishery is held.

All because all of you make things happen and do what is needed to serve people with physical challenges.  
THANK YOU! Larry Laehn, President

**2009 Board of Director Elections**

Since 1998, CTO Incorporated has seen tremendous growth in membership and activities. To remain a vibrant and member-driven organization, CTO needs you to consider serving on the Board of Directors.

The Election Committee seeks nominations to fill 5 Director positions. A CTO Director is a current (or willing to become a) member of the organization. Directors must attend monthly Board meetings and carry out assigned committee responsibilities. Directors understand the need to balance recreational desires of people with physical disabilities with the realities of managing a non-profit organization. **MOST IMPORTANT**, CTO Directors are people with a positive attitude, are objective decision-makers and enjoy helping others succeed in CTO activities.

To nominate yourself, contact Karen Baehr at 920-766-9218. All nominees must provide a brief summary of their background to Karen prior to July 3, 2009. 2009 Board elections take place at the Annual Meeting Banquet held at the River Rail in Shiocton, Wisconsin.

**CALENDAR OF EVENTS**

3rd Week July	Board of Directors Meeting—Page 6
July 18, 2009	Membership Banquet—Pg 7
August 1, 2009	Timber Rattler Game —Pg 5
3rd Week August	Board of Directors Meeting—Pg 6
August 19, 2009	Sight In Your Gun—Pg 3
August 21, 2009	Night at the Races—Pg 6
September ??, 2009	Goose Hunt—Pg 3
September 19, 2009	Fall Trout O Rama
October 3-11, 2009	Special Deer Hunt—Pg 4

# 11th TROUT O RAMA RESULTS

**SAT MAY 9, 2009**

**BY: LARRY ZANDER**

The threat of lousy weather did not deter the hearty CTO members from going fishing. Nobody got what would be considered soaked but, it wasn't comfortable either. After taking count of the fish caught it became obvious as to why there were so many giggles and folks hollering" "NET"—"NET"—"NET". 168 trout succumbed to the powers of our fishers with the largest, 17 3/4 inches going to Larry Lane.

A big "Thank You" goes out to all who helped make the day with great food and pitching in to get it served. And how about those fish cleaners? I asked Wayne Paluch how many fish they cleaned and he gave the same answer as Jeff Pagels would — 4,672. See you for Trout O Rama 12 in September. Take care of each other—and those you care for you.

## CTO Fourth Annual

**"Sight in your gun day"**

**Wednesday: August 19, 2009**

**By: Toby Malchow**

Where: Nicolet Rifle Club, Suamico WI. Time: 3:00 pm - 7:00 pm with shooting starting at 4:00 pm. Map and directions are on the CTO website, and also in the files section of our chat group (you can join the chat group by sending a blank e-mail to: [ctoforme-subscribe@yahoo.com](mailto:ctoforme-subscribe@yahoo.com)).

Nicolet Rifle Club Inc. has graciously offered Challenge The Outdoors Inc. exclusive use of the lower range for the sight-in. NRC volunteers will run the sight in portion of the shoot and staff the range. The sight in is free of charge to any disabled hunter that has a class A, B, or C, disabled hunting permit. Shooters are required to provide their own firearm, ammunition, hearing and eye protection. Hearing and eye protection are mandatory to use the range (none will be provided). This sight in will be for firearms only (no bows). Bring your rifle, pistol, muzzleloader, Turkey, or slug gun. You may bring more than one gun, but depending on how busy it is, you may be asked to rotate to the rear of the line after each weapon is sighted in (to give others a chance to sight in also). Please bring any adaptive equipment you use for hunting along to display and share ideas with the other hunters. CTO will be serving a light lunch for shooters and their helpers. The Sight-in Chairman is Toby Malchow, If you have any questions, ideas, or equipment you wish to display. Contact Toby at 920-434-1663,. E-mail [CTOforMe@yahoo.com](mailto:CTOforMe@yahoo.com)

## 4th Annual Goose Hunt

Although we don't have the exact date for the CTO Goose Hunt, we are starting to get the ball rolling again. It looks like we will be going one of the last two weekends in September for hunting. More details to follow. The hunt will run from the Friday night through Sunday afternoon. CTO will provide food and a bunkhouse to sleep in for participants. If you are interested and would like to participate in this years hunt, please contact Steve Lang at [steve71099@yahoo.com](mailto:steve71099@yahoo.com) or call 920-398-1076.

# Shawano Lake Fishery June 6, 2009

**By: Larry Zander**

**6:30 A.M. — Cecil—Shawano Lake** That is when I got there, self insured that I would be the first to show up. Not so surprising, there was our dedicated volunteer, Bill Rimicci waiting with a bag full of donuts. Then came John Kempen who camped there all night. It wasn't long before we had volunteers coming from everywhere. Up went the shelter and then Karen Baehr came with the breakfast. It wasn't long after that, CTO fishermen and family members and more helpers were showing up by the numbers.

**Let's Go Fishing!!** The pontoons were loaded and smaller boats too. Off we went. It was chilly and some wind out of the east. My confidence as an EXPERT fisherman began to subside when I could not find a Blue Gill bedding area. EXPERT (EX— in the past, SPURT—days of water under pressure) There I was! Wearing a loaded up fishing vest—fly rod— two spinning rods and no fish. I then knew I should have come in disguise. When the word gets out to the fish that Zander is there: they all get lock jaw. I did end up with just a few before it was time to enjoy the best of picnics anywhere.

Some of our fishers did get some nice catches. (They came in disguise). I believe Jeff Pagels, Larry and Mary Laehn had a good catch of 39 big ones. (Big Ones?? Jeff's 12 inch ruler reads 16 inches.) Now I don't believe all fishermen lie or that all liars are fishermen. It's just that they've never learned the meaning of truth. Bless Them! Thanks again to Karen & Bill Baehr and all the folks who bring great food to our outings. Let us not forget to thank also the pontoon and boat owners. Take care of each other and those who care for you.

## Special Deer Hunt

**By: Rod Barkhaus**

The hunting committee is once again getting ready for the Special October Deer Hunt. Bill Mayville has sent in the land-owner list. He was once again able to add a few new properties for this year, but unfortunately, we did also lose a couple of land-owners from past years. I would like to thank all of our land-owners, both past and present, for the special thing they do for our hunters. Without them, our hunt would just be a dream instead of the great time that it is in reality!

Pat Nieuwenhuis will soon be contacting hunters from last year who are eligible to partake in our hunt again this year. If Pat calls your house and leaves a message, PLEASE return his call. There is no reason he should have to call some individuals 5 or 6 or even 10 times or more like he has in the past.

There were a couple of people who contacted us last year and it was too late to make the deadline for signing up. If you were one of these people or a new CTO member that would like to participate in this year's hunt, please give Pat a call. His phone number is (920) 687-8707. Also, if you are a past hunter and do not hear from Pat by mid-August, please give him a call and he will do whatever he can to get you signed up. The final deadline with the DNR is Sept 1, 2009 so do your part in taking advantage of this great hunting opportunity.

Thanks for doing your part to help make a safe and successful hunt in 2009! More info will follow in the next news letter.

## Timber Rattlers Baseball Game

When: Saturday, August 1

Time: Meet outside the stadium at 4:45 p.m.

Where: Fox Cities Stadium

2400 N. Casaloma, Appleton, WI

The Rattlers have made some exciting changes in the off-season. The biggest change is that they are now the Class 'A' Affiliate of the Milwaukee Brewers. That means these young players have a good chance to be a future Brewer. Also a large high definition screen has been added in the outfield for fans to watch such things as replays.

We will be eating in the 1<sup>st</sup> base picnic pavilion. Admission includes game ticket and an all-you-can-eat buffet (brats, hamburgers, cookies, etc.) along with two beverages. The buffet will be served at 5 p.m. and will last until game time at 6:30 p.m. The Rattlers staff has scheduled this date to be a fireworks night.

CTO will buy the tickets for it's members, but the \$3 parking fee is your responsibility. This event is open and free to all members. Guests are welcome, but will be responsible for buying their own tickets. Tickets cost \$17.75 for adults/\$13.75 for children 10 & under. **The deadline to reserve your ticket(s) is July 14!**

**To reserve a ticket(s) contact Peter Lathrop at: (920) 982-4288 or e-mail pistol@athenet.net**

## Trout Pond is Restocked

**By: Larry Zander**

More beautiful Rainbow Trout have been restocked for the fishers who want to come during the summer.

### **NOW—LET'S DO THIS AGAIN!!**

**The fishing rules are so darn simple I don't understand how they can be misinterpreted. Each Membership (single or family) can take one limit. Having a family membership does not mean everyone in the family takes a limit. If a single disabled membership brings a guest or helper that member can still only take a total (for both) of up to 5 per day or 10 per month. The same applies for a family membership—it's still only up to 5 per day or 10 per month for entire group. All non-disabled memberships are allowed 3 trout per day and 6 trout per month. Same rules apply—it's for your whole group.**

**Register your catch in the book provided at the pond.** Please release as gently as possible all other species of fish. They are there to reproduce and make babies for the bigger fish to survive the winter. YES! Big fish eat little fish.

I don't know of anyone who doesn't value the trout they catch. Other than enjoying a wonderful time at the pond and supreme table fare let us also consider those trout at the fish market. The going retail price of (NOT SO FRESH) trout is between \$7 and \$9 a pound. Our average trout is well over one pound each (i.e. 10 trout = \$90). Do not allow your catch to lay out on the grass in the sun for even a little while. Get them in 47 degree water at the pump as soon as you take them off the hook and bring a cooler for the trip home. By the Way!! Trout do not hold up very well for a long period in the freezer. Should you freeze your catch put them in a plastic bag of water or a milk jug and water and cover so that no air gets at the fish. Gallon zip locks work well.

Take care of each other and those who care for you.

## CTO 3<sup>rd</sup> Annual Night at the Races

The 3<sup>rd</sup> annual CTO Night at the Races will be held again at Oshkosh Speed Zone Raceway in Oshkosh, WI on Friday August 21<sup>st</sup>. CTO will again provide admission for all members along with some food and a drink. After the races start and initial meal, everybody will be responsible for their own expenses. Everybody, young and old is encouraged to attend for a night of dirt track, old school racing. For more info, or to sign-up, contact Steve Lang at [steve71099@yahoo.com](mailto:steve71099@yahoo.com) or 920-398-1076

### Carp Shooting???

CTO is always looking for opportunities for our members to experience different adventures in the outdoors. Well we have found another one for you. There is an opportunity for members to go carp shooting on Lake Michigan. There is a group of people willing to take a couple of members at a time throughout the summer out on the lake to possibly have the experience of a lifetime. The shooting, or hunting, is done with bow and arrows during dusk and night hours. Crossbows are not allowed per state regulations. You do need a fishing license to go. Bow and arrows will be provided. For more information, contact Steve Lang at: [steve71099@yahoo.com](mailto:steve71099@yahoo.com) or call 920-398-1076.

### PLEASE COME!!

Our Challenge the Outdoors, Inc Board of Directors meetings are held on the third Tuesday of each month at 7:00 p.m. We welcome your presence and input.

**The July and August meetings are not scheduled at this time. The library is unavailable. Please call for the time and location of the meetings Still the 3<sup>rd</sup> week of the month..**

**If you wish to attend one of the meetings please contact us at 920-525-1123 for a possible change in location.**

## CHALLENGE THE OUTDOORS ENJOYS AN ARENA FOOTBALL GAME

### Green Bay Blizzard vs Quad City Steamrollers By: Steve Harvey

A wonderful time was had by all that attended the Blizzard game on Friday night May 29<sup>th</sup> at the Resch Center in Green Bay.

Steve Harvey received a great donation of 20 tickets from Mike Lenarduzzi & Anduzzi's Sports Club, and CTO paid for any extra tickets that were needed.

The game started out rather slow—but ended with a bang. Not only did it go into OVERTIME with the Blizzard pulling out a fabulous win 52-49—we all received free custard from Culver's and free hot dogs from Anduzzi's because of the win!! There sure was a lot of screaming and cheering.

We were entertained before, during and for the wonderfully fun "5th Quarter" by the UW Madison marching band.

It was a very entertaining event, one I hope the club could do on an annual basis. A thank you has been sent to both the Blizzard team and Anduzzi's on behalf of CTO for the wonderful evening we received.

## NEW MEMBERS MAY—JUNE, 2009

**ELTON GIESE  
LEE A KRUMBACH  
JEFF FORSYTHE FAMILY  
MELVIN/DOROTHY FRANCOIS**

## **Boating & Fishing Season is Here!!**

**By: Mark Baehr**

Our Pontoon boat is sitting on Shawano Lake in Cecil once again waiting for you to take her for a ride/fishing trip. We have also made some up-grades such as; replacing the old fish locator, putting vinyl graphics on each side advertising CTO, purchasing new life preservers, fixing the horn and replacing the old gauges and flare kit.

**CTO will again be picking up the cost of gas for our members who use the boat as long as at least 1 physically challenged member is included in the party on board and within reasonable usage. Now that's an incentive to get some of our physically challenged people out fishing this year!! To provide these opportunities we will need your help.** If you enjoy boating and or fishing this opportunity may be just what you've been looking for. By volunteering your time you will be providing a much needed service to our physically challenged members wanting to get out for a morning or afternoon fishing/sightseeing trip and get to make some new friends and catch some fish along the way. CTO member John Kempen has volunteered to give hands on instructions on how to operate our pontoon. John will teach operational skills and basic maintenance of our boat so all our volunteer captains and first mates will be knowledgeable and confident in operating our boat safely. **We are requiring that all members wanting to captain our boat have prior boating skills and knowledge of how to operate it properly.** A boating operational checklist has been developed and should help keep potential problems to a minimum. To reserve the pontoon boat or to volunteer your services please contact **John Kempen at: (920) 788-9311 or try his cell at: (920) 851-8636 or Mark Baehr at: (920) 766-9218.**

The boating committee is still working on a plan and dates for moving the pontoon around this year but they have yet to make any definite plans on where and when the boat will be moved to other specific lakes or rivers. What we can tell you is that if and when the boat is moved to another body of water all members will be welcome to use it just as they currently are.

CTO and the Challenged Sportspeople we serve are looking forward to another safe and successful boating season. ***Tight lines to All!***

## **LAKE MICHIGAN EVENT**

**By: Judy Paluch**

The date is Friday, June 26 at 4:30 a.m. The time to be at the docks is 4:30 a.m. with hope that we can be loaded by 5:00 a.m. and heading out to fish. At last count I have 6 boats and Kevin Naze has 8 to 11 boats. I have more coming from Seagull Marina at Two Rivers. I will get in touch with each person to tell them which harbor they will be going out of, how to get there, and any other important information. We have 28 people going out to fish, so I hope everyone will wish or say a little "HOPE NO RAIN OR WIND" request to the weather Guy. If anyone would like to help with loading and help on the boat, please call me at 920-336-1934. If you get my answering machine or voice mail, please leave your phone number and your name, and I will call you back. We really need some helpers. I only have 6 right now.

## **7th ANNUAL MEMBERSHIP/AWARDS BANQUET**

Our annual Membership/awards banquet will be held at the River Rail in Shiocton on July 18, 2009. Mark your calendars now and all members and guests will receive further details and registration forms in early July. **ALSO**—if you think you or someone you know may be deserving of one of the awards listed on Page 8 of the newsletter please follow the instructions to apply. **We hope to see all members and guests there!!**

## CHALLENGE THE OUTDOORS AWARDS PROGRAM

The 3rd Annual Awards will be given out at the 2009 summer banquet. Time frame is from July 1, 2008 to July 1, 2009. This year, the categories for fish have been expanded and all the award amounts have been reduced. In addition, each winner will receive a certificate of accomplishment. **A CTO member can only win one of the hunting/fishing/shooting categories in any one year.** Check the CTO Web, site for latest hunting and fishing categories and who has entered a category. <http://ctoforme.org/Awards.html>

Categories include:

**Biggest Challenge Overcome Outside:** One of our members this past year overcame his quadriplegia to hunt turkeys on his own. He set and reset his blind to get the best spot; he got in the blind and set up and after several exciting close calls was able to bag a turkey. Try and top that one to win. Award = \$75 .

**Deepdodo Award:** For the member who takes the biggest challenge in the outdoors. (Jeff Pagels not eligible for this award!) The first winner was a wheelchair user who dropped a goose in a muddy cornfield and after his able bodied buddy could not find the goose, he crawled through the mud to find it himself. While the mud got washed off in a hot shower, the glow of the satisfaction of his achievement will last lots longer. So, get out there and expand your limits. Award = \$75

**Volunteer of the Year Able bodied:** For the CTO member who best embodies the spirit of giving to help others enjoy the outdoors. Award = \$100

**Volunteer of the Year Disabled:** For the CTO member who best embodies the spirit of giving to help others enjoy the outdoors. Award = \$100

**Longest fish, by the following species:** (length in inches) Photograph required. Award = \$25 for the longest fish in each category. Lake Michigan/Green Bay Trout or Salmon; Walleye; Musky/Northern; Perch; **Small and Large Mouth Bass; Bluegill/Crappie;** Rough Fish; (Carp, Dogfish, Sheepshead ect.) One winner for the longest rough fish of all of the rough fish species.

**Longest fish, by the following species:** (length in inches) at the annual Shawano Lake Fishery. No Photograph Required. Award = \$10 for the longest fish in each category. Walleye; Musky/Northern; Perch; **Small and Large Mouth Bass; Bluegill/Crappie;** Rough Fish; (Carp, Dogfish, Sheepshead ect.) One winner for the longest rough fish of all of the rough fish species.

**Longest Trout at Zander Pond:** (length in inches) Photograph required or verified by a member of the Zander Family. **There will actually be three awards this year. One award at each of the two Trout-a-Rama events and one more for the longest trout the other days of the general open season.** Award = \$15

**Top score for Disabled Shooter at the J&H Sporting Clays Fund Raiser:** Bust the most clay pigeons and win. Award = 4 free rounds of Sporting Clays at J&H.

**Biggest Whitetail Buck:** Number of Points longer than one inch x inside spread in inches with photograph. In case of ties or near ties, antlers will be re-measured in more detail by a CTO impartial measurer. Award = \$50

**Biggest Tom Turkey:** Length in inches of spurs and beards with photograph. Award = \$50

**Send nominations, photographs, measurements or other details to Bob Mayer either at [crossbowkids@sbcglobal.net](mailto:crossbowkids@sbcglobal.net) or 2201 Springcreek Circle, Green Bay, WI 54311 Call with questions at 920-469-2021.**

## Field Grants Program Guidelines Challenge the Outdoors, Inc

At the September, 2007 BOD meeting, revisions were discussed and approved for the CTO Field Grant Program. The program is designed to aid physically challenged members of Challenge the Outdoors, Inc to experience once-in-a-lifetime outdoor recreational events that they can not otherwise afford to attend. To be eligible to apply and receive funding under the Field Grant Program, an individual must be a disabled member of Challenge the Outdoors, Inc for at least one calendar year.

These grants (a maximum of \$200.00) are not available to non-disabled members of CTO.

A Field Grant will not be awarded to an individual for participation in another organization's event if CTO already conducts a similar event. The Field Grant Committee and Board of Directors can consider an exception under special circumstances. Persons that have received funds under the CTO Field Grant Program are not be eligible for another Field Grant to participate in the same type of event in the future. For example: A disabled member of Challenge the Outdoors is awarded a Field Grant to hunt Pronghorn in Wyoming. This member may not apply for another Field Grant to hunt pronghorn in the future.

Please contact Director Larry Laehn at 920-757-6099 or at [btiwi@netzero.com](mailto:btiwi@netzero.com) with questions.

### Cost Sharing Program for Adaptive Equipment Catching on

We know adaptive equipment can be a bit pricey so our hope, by creating this cost sharing program in December of 2004, was to help our physically challenged members offset that cost and encourage them to purchase their own equipment. Thus creating more independence for them. So far CTO has helped several members purchase adaptive hunting equipment including crossbows and hand cranks, and an adapted gunstock. We are still waiting for the 1<sup>st</sup> adaptive fishing equipment request. For those unfamiliar with our cost sharing program here's how it works. **CTO will help our physically challenged members purchase adaptive hunting or fishing equipment by picking up to ½, but not to exceed \$100.00, for the cost of the piece(s) of equipment 1 time per year.** For example say Jane purchases a crank for her crossbow and it cost \$150.00. CTO would reimburse Jane \$75.00. To receive reimbursement for a piece of adaptive equipment you have purchased or to see if a piece of equipment you're considering purchasing qualifies contact Jean or Harland Chapman. (920) 525-1123. **\*Note, keep your receipt and get a duplicate copy of the original because we will need a copy for our records. And if you return the item please reimburse CTO.** If you are looking for sources of adaptive equipment there are hundreds to choose from so shop around and check our website out for links to sellers and suppliers and as always please show patronage to the many businesses that have been so good to us over the years by giving them your and our business. For a list of these businesses contact Larry Zander. **Thank you.**

## REMINDER — MEMBERSHIP DUES

Please check the date on your mailing label of this newsletter. This date indicates when your dues are to be paid. There is a form on the last page to complete and mail with your payment. Thank You!
