## **Challenge The Outdoors, Inc.**

March, 2007

*“Dedicated to Serving the Recreational Needs and Desires  
of the Physically Challenged Sportsman”*

**A NOT-FOR-PROFIT ORGANIZATION DEDICATED TO SERVING THE RECREATIONAL  
NEEDS AND DESIRES OF THE PHYSICALLY CHALLENGED SPORTSPERSON**

**Presidents' Message: By Harland Chapman**

Have you heard or read about our Associate Directors? Well, recently Challenge the Outdoors, Inc has initiated an Associate Director program. The purpose of this program is designed to prepare some of our interested members for their possible appointment or election to a full director position. While Associate Directors enjoy full participation at the monthly Board of Directors meetings they are not allowed to make a motion or vote. If you are interested in becoming an Associate Director it would be necessary for you to attend and participate in several monthly meetings to show your interest. Of course, as members you are always welcome to attend the meetings.

Our current Associate Directors are: Karen Baehr (920) 766-9218, Rene Grode (920) 733-0283, Gary Knapp (920) 986-3977, and James Weiser (920) 734-5706.

At the last Board of Directors meeting Associate Director Judy Paluch was elected to the Board of Directors to fill the position of a Director who resigned. Congratulations Judy!

## **2<sup>nd</sup> Annual Autumn Long Beards & CTO Spring Turkey Hunt**

**By: Mark Baehr**

Challenge the Outdoors, Inc. and Autumn Long Beards physically challenged Turkey Hunt plans for the weekend of **May 12 & 13, 2007** are ongoing. We had a good response to this coming Spring CTO and ALB Physically Challenged Turkey Hunt. A total of 16 people responded and we will be keeping in touch with them on our upcoming plans, including our pre-hunt gathering some time in late April or early May. We still have room for a couple more hunters so if interested contact Mark **Baehr at 920-766-9218**.

One new twist to this year's turkey hunt is that the hunting hours have been extended to sunset!! I know more than one of our hunters & mentors wish that would have been the case last year. Lodging has been reserved again and will be open for hunters and volunteers on Friday, May 11th (the day before the start of the hunt).

If you are interested in helping out please contact **Mark at 920-766-9218** or e-mail **baehrm@sbcglobal.net**. Also if you have land in zone 22 near Clintonville that you would be willing to open for a hunter or two, we could always use some more places to spread out our hunters.

## **9th Annual Sporting Clay Fund Raiser**

**Saturday March 31, 2007 7:45 A.M.**

**By: Larry Zander, Vice President**

**IT'S TIME TO GET IT DONE!!**

Our biggest fund raiser is just around the corner—**Saturday, March 31, 2007**—and always a great fun work day for many of us. How can you be of help? Just be there to thank well over 300 shooters that help support Challenge the Outdoors, Inc. Last year a bunch of us also took part in the shoot. We will again have transportation to all of the shooting stations for those of you who want to break a few targets. We need a lot of us to thank all shooters for their support. By the way! All CTO members eat FREE!

**NOW!** For those raffle tickets you received in the mail. Buy them or sell them, but do not let them go to waste. Every dollar is used to make CTO bigger—better and more.

The event starts at 8:00 a.m. No matter what the weather conditions are—the shoot will go on. **BE THERE!**  
**Any questions call Larry Zander at (920)525-5637.**

**P. S.** We are still in need of more raffle and door prizes. If anyone can help by contacting your local businessmen or others for donations please do so. These are needed by March 20th for recording and numbering. Please contact Jean Chapman at (920)525-1123 and arrangements will be made to pick things up. Thank you in advance for helping to make this event a success.

## 3-D ARCHERY SHOOT April 21st

By: Mark Baehr

We have planned another archery shoot at the Archery Shack, located at: 2340 Holly Rd., Neenah, WI. 54911 phone (920) 733-6824. **All** CTO members and their family and friends are invited to attend. CTO will be picking up the cost of a round on the 3-D range and or a round on the target range for our physically challenged members. We will be running the shoot from 10 a.m. until 4 p.m. and will be providing a noon lunch. We haven't determined whether we'll be having a fun, non-competitive shoot or possibly a competitive one with trophies and or prizes either way we're sure everyone will have a great time. If you have always wanted to try your hand at archery but don't have any equipment we will have adaptive equipment on hand including our four cross-bows with hand cranks, arrows, adaptive shooting chairs and rests. If you have a piece of adaptive equipment that you think others could benefit from please bring it along and share your ideas with others. The Archery Shack also has many loaner youth bows for anyone to use. Volunteers will be needed to help others on the range and to possibly help prepare and serve food and as well. **To get an idea of how much food to prepare we are asking that you please respond to us by April 12<sup>th</sup>, 2007.** Contact Pat Nieuwenhuis at: (920) 687-8707 or Mark Baehr at: (920) 766-9218 or e-mail at: [baehrm@sbcglobal.net](mailto:baehrm@sbcglobal.net) If you have any special needs that you need help with to be able to participate in this or any other CTO sponsored outing please contact Bob Mayer at: (920) 469-2021. Directions: Take U.S. Hwy 41 to Cty Hwy BB (Prospect Ave.), (the BB exit is 1 exit south of College Ave. exit), go west on Hwy BB to stop & go signal lights at American Dr., (American Drive is the 1<sup>st</sup> road west of Hwy 41). Turn left (south) on American Dr., Take American Dr. to Holly Rd., (Holly Rd. is the 1<sup>st</sup> road that goes left (east) off of American Drive). Take Holly Rd. and follow to The Archery Shack at 2340 Holly Rd. (Approx. 1/3 mile). We look forward to another great outing and hope you can make it!

## 23rd Annual Helluva Hunt

For each of the past 21 years during the 1<sup>st</sup> week of October a group of residents from Douglas, Wyoming have opened their hearts and lands to a group of 15 physically challenged hunters. The main attraction for the hunters is a guided hunt for Prong Horn Antelope along with other shooting events and the shared camaraderie that comes with the territory. The hunt boasts a near perfect harvest record over the past 22 years. Several of our members have attended this hunt and all returned with an antelope and great stories of an unforgettable trip. They cannot say enough about how great the experience was and highly recommend the hunt to everyone. To be considered for participation in the 23rd Annual 2007 Helluva Hunt you will need to receive and return an application by mid-March. Jane Stearns informed us that interested parties should call her or Gary and they will mail or fax them an application. Lodging, license, meals, and guides are all furnished at no cost to the hunter. Hunters are only responsible for their travel expenses. Contact the Stearns at: Helluva Hunt, 1562 Esterbrook Rd Douglas, WY 82633 or call them at: (307) 358-6580. During the 1<sup>st</sup> weekend in October, 2005 two of our physically challenged members, Emily Olsen and Jeff Brown, attended the 21<sup>st</sup> Annual Helluva Hunt. Emily's father Chris Olsen and Jeff's brother Joe Jr. accompanied them. CTO helped to offset their travel expenses.

## CHALLENGE THE OUTDOORS HOLIDAY PARTY

**By: Judy Paluch, Director**

Close to 100 people joined Challenge the Outdoors, Inc. for a wonderful Holiday Party on January 13th at Sabre Lanes in Menasha. We had hot turkey and hot beef sandwiches combined with the many wonderful dishes brought by all, making our buffet a gourmet meal.

With dinner done, we drew names to give out our table Holiday decorations. As our afternoon activities, we had free bowling, a cribbage tournament, and time to just chat with new and old friends and catch up on news.

I checked out the bowlers and, though it was a little crowded, there were a lots of smiles among everyone there. Since bowling was so popular, next year we might have to add a few more lanes.

Cribbage tournament competitors also had some challenges. Though there were not a large number of people, they all seemed to enjoy the competition even when the cards were not nice to them.

This year we decided to award prizes for both bowling and the cribbage tournament. We awarded the cribbage prizes at the end of the tournament; but, since the bowling lasted a bit longer than we planned, we were not able to find the people to award their prizes. We will have the prizes at the Sporting Clay Fundraiser at J&H Game Farm on March 31, 2007, so the winners can pick up their prizes. We will also have them at the Board Meeting at the Muehl Public Library in Seymour on February 20, 2007 at 6:30 p.m. to 8:00 p.m.

**Winners of Cribbage Tournament: First, Gary Thyes...Second, Bob Mraz Highest Crib 24 (Highest Game too 20), Mark Baehr**

**Winners of Bowling: (First hdcp, Steve Pemberson 179)... (Second hdcp, Aaron Nonemacher 146)... (Third hdcp, Steve Lang 137)... (First 12 and under hdcp, Jessica Laehn 25)... (First non-hdcp, Donald Wishart 165)... (Second non-hdcp, Rachel Olsen 163)... (Third non-hdcp, Chris Olsen 149).**

Thank you everyone at Challenge the Outdoors for giving such a wonderful Holiday Party. Hope everyone had lots of fun and ate their fill of all that great food.

## FLY TYING—DO YOU WANT TO?

**BY: Larry Zander, Vice President**

Several of you folks have expressed interest in learning to make your own bugs and fake minnows that catch fish and plenty of them. (I've made flies that look so good—their real live counterparts have tried to mate with them while I'm casting.) You don't need a fly rod to fish with flies. Many fish are caught using flies and spinning gear. The satisfaction of taking fish with your own creation is a real joy.

Getting started is not expensive and can become a wonderful past time. If you want to find out if you'd like to do this—I will do a few classes that get you started. We will do these classes at J&H Game Farm. Call me at [\(920\)525-5637](tel:9205255637) if you are interested so that we can make class schedules.

## **Cost Sharing Program for Adaptive Equipment Catching on!**

When we created our cost-sharing program, in Dec. of 2004, we weren't sure what kind of response we would get. A year and one-half later we're glad to report that we've had several members take advantage of the program purchasing crossbows, hand cranks, and an adaptive thumbhole gunstock. We are still waiting for our 1<sup>st</sup> adaptive fishing equipment request. For those unfamiliar with our cost sharing program here's how it works. **CTO will help our physically challenged members purchase adaptive hunting or fishing equipment by picking up to ½, but not to exceed \$100.00, for the cost of the piece(s) of equipment 1 time per year.** For example, say Jane purchases a crank for her crossbow and it cost \$150.00. CTO would reimburse Jane \$75.00. To receive reimbursement for a piece of adaptive equipment you are considering purchasing or to see if a piece of equipment you've purchased qualifies please contact Jean or Harland Chapman at: (920) 525-1123. **\*Note, keep your receipt and get a duplicate copy of the original because we will need a copy for our records. And if you return the item please reimburse CTO.** There are many sellers of adaptive equipment so shop around and check our website out for links to sellers and suppliers and as always **please show patronage to the many businesses that have been so good to us over the years by giving them your and our business.** For a list of these businesses contact Larry Zander at: (920) 525-5637. **Thank you.**

## **CTO LOAN CLOSET IS ALWAYS OPEN!!**

We currently have the following pieces of gear available: 20 camouflaged hunting blinds, 4 crossbows (with case, quiver, arrows, and broad heads), 4 Archery target bags, 2 electric fishing rod & reel combos, several small tackle boxes with terminal fishing tackle (hooks, jigs, sinkers & bobbers), 3 shooting chairs, several gun/bow rests, 4 Ice fishing shelters (Donated by The Wingettes of the WOW), an adaptive bowling ball, and a complete set of adaptive golf clubs (Donated by CTO member Pete Jensma), Sit Ski (Donated by Joe Palmer of Manitowoc). To check a piece of equipment out or donate contact either Larry Zander at: (920) 525-5637, or Mark Baehr at (920) 766-9218. If you have a suggestion on a piece of equipment that you think our members would find useful please forward the idea to one of the directors for action.

**We are in the process of making a complete inventory of all equipment owned by Challenge the Outdoors, Inc. and where it is located. If you have borrowed any CTO equipment and it is still in your possession please contact Patrick Nieuwenhuis at: (920) 687-8707 or Mark Baehr at: (920) 766-9218. Thank You.**

## **SPONSORSHIPS AVAILABLE**

In 2007 CTO will again be accepting requests from our physically challenged members for grants or sponsorships that will allow them to attend outdoor recreational events sponsored by other organizations. In the past members have received grants and sponsorships to attend events sponsored by; Fishing Has No Boundaries, Inc., Twist of Fate, Inc., and Ski For Light, Inc. For members to be considered for the grant or sponsorship we are requiring that they be active and in good standing with our organization. Being active could mean; helping with our fundraisers, putting up fliers, handing out brochures at an informational booth, serving on a committee, etc. Requests will be considered on a case by case and a first come first served basis. To be considered for a grant or sponsorship and to learn of volunteer opportunities please contact; Bob Mayer (920) 469-2021 or by email: [crossbowkids@sbcglobal.net](mailto:crossbowkids@sbcglobal.net) or contact Mark Baehr (920) 766-9218 or by email: [baehr68@aol.com](mailto:baehr68@aol.com)  
We hope to hear from you soon!

## CHALLENGE THE OUTDOORS AWARDS PROGRAM UPDATE

By: Jeff Pagels, Director

If you were at last summer's banquet you heard about the first ever annual CTO awards program. (Awards will be given out at the 2007 summer banquet.) Time frame is from July 1, 2006 to July 1, 2007.

To date a few submissions have come in and we want more. At the 2007 banquet valuable functional gifts will be awarded to the winners of each category. Look over the list that follows and start measuring, photographing and nominating others.

### Categories include:

**Biggest Challenge Overcome Outside:** One of our members this year overcame a deep fear of water and started to fish on one of our fishing docks. Next step is to get in a boat. Try and top that one to win.

**Deepdodo Award:** For the member who takes the biggest challenge in the outdoors. (Jeff Pagels not eligible for this award!) At the banquet, Jeff talked about the time his boat drifted away from a boat landing and he had to swim after it to save his brand new motor. Or, Bill Mayville on crutches and visually impaired Harland Chapman on an ATV tried to find each other at dusk in the woods...ask one of them, very funny. Try and top those to win. (One way to know if your experience might win is if it was not funny when it happened, but became funny a few days later when re-telling the story to friends!)

### **Volunteer of the Year Able bodied:**

For the CTO member who best embodies the spirit of giving to help others enjoy the outdoors.

**Volunteer of the Year Disabled:** For the CTO member who best embodies the spirit of giving to help others enjoy the outdoors.

**Longest fish, any species:** (length in inches) Photograph required.

**Longest Trout at Zander Pond:** (length in inches) Photograph required or verified by a member of the Zander Family.

**Top score for Disabled Shooter at the J&H Sporting Clays Fund Raiser:** Bust the most clay pigeons and win.

**Biggest Whitetail Buck:** Number of Points longer than one inch x inside spread in inches with photograph.

Send nominations, photographs, measurements or other details to Jeff Pagels either at [jpagels@new.rr.com](mailto:jpagels@new.rr.com) or 1400 Carole Lane, Green Bay, WI 54313 Call him with questions at 920-366-5731.

### Communication is Still Key!! So, Let's try this again!

The quickest and most efficient way to get the info out to most folks is by E-mail but we can't get it to you if you're not signed up to our Information/chat-group e-mail list. It's really simple and easy to get signed up! Send a blank e-mail, with nothing in the message area, to: [ctoforme-subscribe@yahoogroups.com](mailto:ctoforme-subscribe@yahoogroups.com) You will get a confirmation e-mail back asking you to join. Just to let you know that this is a chat group where members are free to post anything they feel others may be interested. **Thanks.**

## **CTO 9<sup>th</sup> Annual Shawano Lake Fishery & Picnic**

### **Saturday June 2nd, 2007**

This year's event will again take place in Cecil on the east-shore of Shawano Lake. The event will get started at 8 A.M. and will run until 4:30 P.M. Pan fish are our main target but an occasional pike and bass have also made up some of our anglers catch the past several years. Lunch will be served at noon and anglers will be able to hit the water again in the afternoon. Of special note is the 1<sup>st</sup> weekend in June has been designated as a "**FREE FISHING WEEKEND**" in Wisconsin so you will not have to purchase a fishing license. All bait, food, refreshments, some terminal tackle and equipment will be supplied by CTO at no cost to all participants. You are welcome to bring your own equipment as well as a lawn chair, sunscreen, and proper weather related clothing. ***This is a Rain or Shine Event so please come prepared.*** We will have a large tent for all to get out of the sun or rain if necessary. ***If you need transportation or are in need of some adaptive equipment, i.e. an electric fishing reel or rod-holding device, to enable yourself to actively participate in this event please contact our Special Events Disabilities Coordinator, Bob Mayer @ (920) 469-2021.***

Due to the increasing popularity of this and all our events it is becoming ever more important for everyone planning on attending to get their registration forms returned in a timely manner. The registration form will be in the May, 2007 newsletter. This year we are requiring everyone who plans on attending, even if it's just for the picnic, to fill out a registration form and return it. This will allow us to make proper plans to accommodate all those attending and make it a quality event for all. Even if you're not interested in fishing we encourage all our members and friends to come and enjoy the picnic. There will be a map with directions and an event schedule in our May Newsletter. You may also check our website for a map, directions, and registration application for the Fishery & Picnic. Last but not least, we are always looking for more people to get involved in this and for that matter all our events. Right now we are looking for volunteers to help out with; serving and preparing food, setting up and cleaning up, first mates to help on the boats, fish cleaners, and boat owners (both pontoon and regular fishing boats) willing to provide the use of their boat for either half or the whole day. To volunteer or to get answers to your questions contact either Harland Chapman @ (920) 525-1123 or Mark Baehr @ (920) 766-9218. We know you will find this event a rewarding and enjoyable experience and we hope to hear from you soon. ***THINK SPRING!!***

## **THANK YOU!!**

Challenge the Outdoors, Inc. would like to thank CTO member Cliff Phiefer for his contact with Independent Mobility and the subsequent donation of an electric wheel chair. This chair measures inside arms of 25 inches with outside arms at 31 inches. The chair comes with 2 sets of foot rests and a battery charger. If one of our members is in need of the use of the chair please contact the Board of Directors. The next meeting of the Board is March 20, 2007.

More thanks are needed. CTO received the donation of a cross bow with scope from Lena Swamp Archery of Oconto Falls, WI to lend out for use next hunting season.
