Presidents' Message: By Harland Chapman

This, my final message as President of our wonderful organization, leaves several things on my mind. First, I would like to extend condolences to the family of Chuck Nelson. Not only was he a charter member of CTO, but he was one of 3 persons whose name appears on our Articles of Incorporation, the other two being Larry Laehn and Larry Reese. Next, I would like to express my gratitude to several directors whose hard work and diligence has been a blessing to CTO. First would be my wife Jean who has been my eyes and without whose dedication to her many roles and responsibilities our organization would not run as smoothly as it does. Secondly, many thanks go to Bill Mayville for his commitment not only to our organization but to several committees especially his many days and hours devoted to the special deer hunt. Thanks Bill! You will be missed as a director. It would be remiss of me not to mention all of the other members and directors who have worked so diligently, mainly: the Baehr family (Mark, Karen and Bill), Larry Zander, Dean Sprangers, Gary Thyges, Gary Knapp, Toby Malchow, Bob Mayer, Robert Bird, Peter Lathrop, Gina Hackel, Pat Nieuwenhuis, Judy Paluch, Jeff Pagels, Rod Barkhaus, Rene Grode, Jim Wieser. I realize there are several other members without whose help many of our activities could not have come to fruition. Thank You! A warm welcome to the new directors who were recently elected and I wish you great success in the years ahead. My final thought is that we need greater help with some of our activities, especially preparation for the special deer hunt. Please call if you can help out in any way. In closing, thanks to the directors for placing their confidence in me.

ATTENTION!!!!!!

To anyone who has borrowed one of our hunting blinds, you need to return them by September 15th. No ifs, ands, or buts accepted. It is vital that we have every one of them in our possession and available for use during the October Disabled Hunt. The blinds will be available to be loaned out after the hunt. Please make every effort to return them by September 15th. Thank You!

SPECIAL DEER HUNT 2007

By: Pat Nieuwenhuis—Huntmaster

October 6-14, 2007 is looking to be the best hunt ever. We have over 3000 acres to hunt on this year, an abundance of deer, and the most quality acreage to hunt that we have ever had. Hunters wishing to participate and people wishing to assist please contact **Pat Nieuwenhuis at 1012 Carol Lyn Dr , Little Chute, WI 54140 phone # (920) 687-8707 to sign up by August 25, 2007.** You will need a class A or C disability number, Name, Address, Telephone #, Helpers Name and Number and you will need to purchase a regular Wisconsin deer license.

We will need helpers to place blinds on these properties starting the first week in September. If you are able to help with deer blinds please contact me at (920) 698-8707 or leave a message with your name and phone number. Any hunters who have their own blinds and want to get them out ahead of time—call me! Hunters can come out and get familiar with their hunting spot starting at this time also.

J & H Youth and Lady Day

Sat Sept 8, 2007 8:00 a.m.—4:00 p.m.

Mark Your Calendars—CTO Member Volunteers Needed

Everyone who has participated in this annual outing has testified as to what a good time it is! Physically Challenged folks helping those who are not. (Now there is a twist if there ever was one.) This is a fun day for all and at no cost, including door prizes, food and beverage for the youth and ladies. I would suggest you invite your neighbors and friends to enjoy (with you) the experience and participation with almost everything that has to do with the outdoors.

Challenge the Outdoors, Inc once again is sponsoring the trout fishing area where women and children enjoy catching a trout, having it cleaned, packaged and iced to take home. We need hook baiters, netters, fist cleaners and a lot of us for giggles and laughs. **See You There** — Larry Zander

NEW FISH — LOTS OF ‘EM

TROUT 0 RAMA #10 Sept 15, 2007 8:00 a.m. to ??

By: Larry Zander

Your CTO Board of Directors have elected to re-stock the pond with Rainbow Trout one week before this event. I will not be feeding these new trout, so they should be good and hungry and willing to take your offering. Be prepared for great food and goodies. Karen and Bill Baehr and their helpers always make sure folks do not go home hungry. I would be nice if you would also bring a dish to pass. We will have your fish cleaned, bagged and iced, but, it would be wise to bring a cooler for take home. We will also have shelter from sun or rain (It won't rain!!)

Trout limits are the usual. Five fish per handicapped membership. Three fish for non-handicapped memberships. I would expect a lot of limits to be taken. Please park your vehicles across the road off our generous neighbor's driveway if you can. There is not a lot of room in my yard. Ask for help should you need it.

This is another great outing for all. A time to enjoy each others friendship **Let's Do It!!**

GOOSE HUNT

By: Steven Lang, CTO Member

The goose hunt is full of participants, but as always, we encourage all members to come and check out the hunt. The hunt is Sept 22 and 23, 2007 with arrival on the 21st. If you would like to volunteer to help get hunters to the blinds or have any questions please contact [Steve Lang: Home \(920\) 398-1076, Cell \(920\) 948-4847, or \[steve71099@yahoo.com\]\(mailto:steve71099@yahoo.com\)](#)

CTO NIGHT AT THE RACES

By: Steve Lang

CTO's Night at the Races was a big success. 21 CTO members met at the Oshkosh Speedway on Friday July 27, 2007 to see some exciting dirt track racing. We had great food, provided by the track, and got to meet 2 of the drivers with their cars before the festivities started. The two cars that have CTO on them were #3 Mike Mueller (Modified Division) and #63 Mark Phillips (Late Model Division). CTO thanks them for getting the word out of our great organization. Our members were treated to 5 different divisions of racing, ranging from 4 cylinders to the late models traveling at 125 mph into the corners. We even got to see 2 rollovers!! Everyone there seemed to have a great time and looked forward to next year's race. The track does have wheelchair seating, so next year come and join in the fun of the CTO Night At The Races!!!!

2008 CTO CALENDARS

Something new coming soon! A committee is currently developing a CTO themed Calendar for 2008. We're taking the best pictures from throughout the past year and will include as many of the dates we know for our events in "08" as well. Also, we're working on adding some other important dates for things such as hunting and fishing season dates and possibly sunrise-sunset times, sonar tables and more. Look for more info in the coming newsletters

CTO TRAP TEAM WINS AWARD

By: Steve Lang

The Challenge the Outdoors, Inc Trapshooting Team won 1st place in the Lewis Class C Division during the summer league at Dalton Rod and Gun Club in Dalton, WI. The team was made up of 3 disabled shooters (all members of CTO); Steve Lang, Steve Pemberton, and Jim "Lefty" Luedke, and 2 able bodied; Fred Lang and Mike Pemberton. The team had to win in a shoot-off to take the first place honor. In the shoot-off Steve Pemberton shot a perfect 25!!! Way to go Steve! The top gun award on the team went to Steve Lang with a 20.4 out of 25 average. The rest of the averages were Steve P.—18.3, "Lefty" — 8.3, Fred— 19.2, Mike—19.9. "Lefty" made the most improvement on the team. He went from shooting 3 and 4 at the start of the year to shooting 13 in 3 of the last 4 weeks. Great job Lefty!! We had great support from all the other shooters at the Rod and Gun Club and they were always willing to give us advice on how to improve our skills. Hope that next year there are more CTO teams out there and more successful stories to read about.

GOOD SHOOTING TO ALL!!!!

Boating Season is Here!!

For this boating season CTO is again renting a ship in Shawano Lake in Cecil. Our slip rental runs from May till October, so there will be plenty of time for getting out on the lake for fishing and or sightseeing opportunities. **At our April, 2006 Board of Directors meeting it was decided that CTO will pick-up the cost of gas for our members who use the boat as long as at least 1 physically challenged member is included in the party on board. Now that's an incentive to get some of our physically challenged people out fishing this year!! To provide these opportunities we will need your help.** While a few volunteers have stepped forward to be captains and first mates we can still use more. If you enjoy boating and or fishing this opportunity may be just what you've been looking for. By volunteering your time you will be providing a much needed service to our Physically Challenged members wanting to get out for a morning or afternoon fishing/sightseeing trip and get to make some new friends and catch some fish along the way. Gary Thyges has also volunteered to give hands on instructions on how to operate our pontoon boat and will make time for those wanting and needing to learn how. He will teach operational skills and basic maintenance of our boat so all our volunteer captains and first mates will be knowledgeable and confident in operating our boat safely. We are also requiring that **all** members wanting to captain our boat have prior boating skills and knowledge of how to operate it properly. A boating operational checklist has been developed and should help keep potential problems to a minimum. To reserve the pontoon boat or to volunteer your services please **contact Gary Thyges at: (920) 737-6858 or (715) 758-6854.** As captains/first mates inform us of the dates they are available we will be put those dates on our calendar and make the calendar available to our physically challenged members and their families. Or, if you are a member and have a date in mind that you would like to go fishing/ sightseeing please call the contact person to see if there are captains & first mates available to accommodate you. CTO and the Challenged Sports-persons we serve are looking forward to another great boating season and we hope you can and will take an active roll in making it an even greater success. **Tight Lines to All!**

MEMBERSHIP AND RECOGNITION 5TH ANNUAL BANQUET

By Judy Paluch, Director

On July 21, 2007, Challenge The Outdoors held their Annual Banquet and Membership Meeting at The River Rail in Shiocton. It was a nice attendance with 150 members and guests sharing in the fun.

We started our membership meeting at 4:00, which included the election of seven positions for our Board of Directors and a short meeting with discussion of our committees and their work. With all the ballots collected, we feasted on a wonderful dinner of fish and chicken with all the trimmings and dessert.

Before we presented our awards, we expressed our gratitude to our sponsors, land owners, people and businesses who contributed their time and donations to making all our events so successful. They all are so wonderful. Thank you again for your help.

Jeff Pagels and his committee worked very hard on the Challenge The Outdoors "First Annual CTO Special Awards". All members of CTO are eligible for the awards, and some of the awards are for just disabled or able bodied persons. Since this was the first year, the Board would like feedback on the "Special CTO Awards". Should we keep the awards as an annual presentation, should some categories be adjusted, or just send Jeff a general comment about the CTO award program. Please send the feedback to Jeff Pagels, 1400 Carole Lane, Green Bay, WI 54313 or email him at jpagels@new.rr.com. Please make sure to sign your feedback note and include your phone number.

Besides the door prize that each person receives upon arriving, we had a 50/50 raffle, and our bucket raffle with many wonderful donated prizes. We also have a display of pictures of all our events; and, if anyone would like a duplicate of a picture or two, please let me know. I need your email address or your home address. My email pal945@execpc.com.

We had a wonderful time, and we hope that more people will come next year. We will send out reminders for the 2008 Membership and Recognition Banquet, and it will also be listed in your bi-monthly newsletter. If you have any questions or comments please contact us at: Challenge The Outdoors, Inc., N8154 Cty. Hwy M, Shiocton, WI 54170. (920) 525-1123

Cost Sharing Program for Adaptive Equipment Catching on!

When we created our cost-sharing program, in Dec. of 2004, we weren't sure what kind of response we would get. A year and one-half later we're glad to report that we've had several members take advantage of the program purchasing crossbows, hand cranks, and an adaptive thumbhole gunstock. We are still waiting for our 1st adaptive fishing equipment request. For those unfamiliar with our cost sharing program here's how it works. **CTO will help our physically challenged members purchase adaptive hunting or fishing equipment by picking up to ½, but not to exceed \$100.00, for the cost of the piece(s) of equipment 1 time per year.** For example, say Jane purchases a crank for her crossbow and it cost \$150.00. CTO would reimburse Jane \$75.00. To receive reimbursement for a piece of adaptive equipment you are considering purchasing or to see if a piece of equipment you've purchased qualifies please contact Jean or Harland Chapman at: (920) 525-1123. ***Note, keep your receipt and get a duplicate copy of the original because we will need a copy for our records. And if you return the item please reimburse CTO.** There are many sellers of adaptive equipment so shop around and check our website out for links to sellers and suppliers and as always **please show patronage to the many businesses that have been so good to us over the years by giving them your and our business.** For a list of these businesses contact Larry Zander at: (920) 525-5637. **Thank you.**

CTO LOAN CLOSET IS ALWAYS OPEN!!

We currently have the following pieces of gear available: 20 camouflaged hunting blinds, 4 crossbows (with case, quiver, arrows, and broad heads), 4 Archery target bags, 2 electric fishing rod & reel combos, several small tackle boxes with terminal fishing tackle (hooks, jigs, sinkers & bobbers), 3 shooting chairs, several gun/bow rests, 4 Ice fishing shelters (Donated by The Wingettes of the WOW), an adaptive bowling ball, and a complete set of adaptive golf clubs (Donated by CTO member Pete Jensma), Sit Ski (Donated by Joe Palmer of Manitowoc). To check a piece of equipment out or donate contact either Larry Zander at: (920) 525-5637, or Mark Baehr at (920) 766-9218. If you have a suggestion on a piece of equipment that you think our members would find useful please forward the idea to one of the directors for action.

Most if not all of us have borrowed something from someone at one time or another. The one thing the borrower usually asks is "please return it in the same shape you found it in and if it is broken or damaged due to an accident please let me know so I can fix it." That is exactly what CTO is asking of anyone who borrows a piece of equipment from our loan closet. If you do borrow something please treat it as if it is your own and take good care of it. If you do not take care of the equipment you borrowed and return it is disrepair or broken your borrowing privileges may be revoked. Our loan closet has been a great resource for our members and we owe it to ourselves to keep it that way. Your cooperation is greatly appreciated. Thank You!

SPONSORSHIPS AVAILABLE

In 2007 CTO will again be accepting requests from our physically challenged members for grants or sponsorships (one event per year) that will allow them to attend outdoor recreational events sponsored by other organizations. In the past members have received grants and sponsorships to attend events sponsored by; Fishing Has No Boundaries, Inc., Hellva Hunt, Ski For Light, Inc., etc. For members to be considered for the grant or sponsorship we are requiring that they be active and in good standing with our organization. Being active could mean; helping with our fundraisers, putting up fliers, handing out brochures at an informational booth, serving on a committee, etc. **To request a grant or sponsorship to an event a copy of the registration form is needed. This should be mailed to Challenge the Outdoors, Inc N8154 Cty Rd M, Shiocton, WI 54170. Requests will be considered on a case by case and a first come first served basis. To be considered for a grant or sponsorship and to learn of volunteer opportunities please contact; Bob Mayer (920) 469-2021 or by email: crossbowkids@sbcglobal.net or contact Mark Baehr (920)766-9218 or by email: baehrm@sbcglobal.net We hope to hear from you soon!**

MEMBERSHIP TO THE NICOLET RIFLE CLUB

By Judy Paluch, Director

Are you interest in shooting on a fairly regular basis or entering a rifle competition? We obtained four, one-year memberships to the Nicolet Rifle Club in Suamico. These memberships are worth \$50 each and are available to all our members at no charge, on a first ask basis. If the memberships are already issued to other members, we will put your name on a list for our next four, one-year memberships in 2008. These will be given in the order of the receipt of request.

You will have access to the rifle range at anytime except when there is a competition in progress. You will be responsible to make sure the gate is locked at all times unless there is some competition or special sight in for groups for which they are in charge of locking the gate.

After a special walk through and complete orientation and explanation of the safety rules of the club, you will receive a membership card and the combination to the gate.

This membership is not for a person that just wants to sight in their rifle; this is for a person who likes to shoot for enjoyment and for more than one session. There are many competitions you can join, or you can just find time to shoot your gun for your own entertainment.

The Nicolet Rifle Club is located in Suamico, just a short distance outside the city of Green Bay. The club has many shooting stations and the distance for shooting is 25, 50, 75, 100, and 200 yards. This is club is just for **rifle and pistol**, except if you have called the persons that are in charge and asked them to set up a special target so you can see how your shotgun is patterning for bird shooting. This isn't one of their regular set ups on the range. There is **no** archery shooting and **no** aerial shooting. (skeet or trap)

Send your request to our office at Challenge the Outdoors, Inc., N8154 Cty Hwy M, Shiocton, WI 54170.

PLEASE COME!!

Our Challenge the Outdoors, Inc. Board of Directors meeting are held on the third Tuesday of each month at 6:30 p.m. We welcome your presence and input.

- Decided to purchase 25 tickets + 1 free ticket to the Ducks Unlimited event for members.
- Elected director Larry Zander as voting representative to Wolf River Conservation Alliance.

JULY

- The Green Bay Press Gazette printed several photos of the Shawano Lake Fishery. The Trout-O-Rama story was in the Seymour Times-Press.
- Accepted the criteria for being eligible for disabled awards program.
- Decided to purchase trout for no more than \$600 and have CTO name on J & H Youth and Ladies Day event.
- CTO member Gerry Schick received the Spirit Award from Fishing Has No Boundaries at their annual meeting.

2nd Annual ALB-CTO WILD TURKEY HUNT RECAP

By: **Mark Baehr**

This year's hunt marked our 2nd with the Autumn Long Beards (the new Clintonville Chapter of the National Wild Turkey Federation). A total of 10 hunters and 14 mentors took part in the hunt. The hunters that made it were; Brian Desroshers, Harland Chapman, Steve Harvey, Larry Laehn, Larry Lane, Bob Mayer, Cliff Pheifer, Gerald Schick, Jason Sprangers and Kayley Wockenfuss. The list of mentors are: Mike Koepke, Dale Breaker, Jake Dudzik, Dean Sprangers, Kim Meyer, Nick Zuiches, Ryan Mijal, Kasey Schwietzer, Todd Beyersdorf, Jim Mayer, Kord Persha, Tim Neabling, Jason Bicowski, Les King and Richard King. Many of the hunters and some of volunteers took advantage of the lodging we arranged for at Christus Memorial Church Camp.

Weather conditions were pretty decent for the hunt, a welcome change from previous hunts. The birds were also more active and 3 hunters made good on their opportunity when it arose. Cliff Pheifer and his mentor of several years, Kord Persha, connected for Cliff's 1st wild turkey kill, a nice 18 lb. Gobbler. Making things even more challenging was the fact that Cliff was using his crossbow. Brian Desroshers and his mentors Les and Richard King also connected on Brian's 1st ever wild turkey, a nice 19 lb. Gobbler. Last but not least, in fact the largest gobbler harvested was by Harland Chapman and his mentor Kim Meyer, a very nice 22 lb. Gobbler. Bob Mayer and his mentors, Todd Beyersdorf and Jim Mayer, had a few Jakes within range but Bob decided to pass hoping for a Gobbler. Most of the other hunters at least got to see and hear Gobblers but either couldn't get them into range or get a good bead on them. Everyone involved enjoyed sharing in the camaraderie of the hunt.

Once again hunters, mentors, and volunteers were treated to a great smorgasbord throughout the hunt. This was no simple ask and we send a big THANK YOU to Karen Baehr for once again serving as camp cook. We also send a sincere THANK YOU to the hunt coordinators Rory Clark, Tom Mijal and Mark Baehr. Also we thank William Baehr for helping clean up, Lisa Gildernick and Shirl Tischauer and Christus Memorial Church. And another BIG THANK YOU to all the mentors who took the time out of their busy schedules to take our hunters out. Without their support this hunt would not be possible. If I missed anyone I sincerely apologize. As a gesture of our appreciation CTO made the mentors from the Autumn Long Beards honorable 1-year members of CTO. We were very happy to see many of them at our recent banquet where they received recognition for their efforts.

The 3rd annual ALB-CTO Spring Wild Turkey Hunt is being planned for the 5th weekend of the hunt, May 17 & 18 2008. Look for much more information in our November 07 Newsletter.

CONGRATULATIONS
